Here are the key reasons why most organisations use leasing to fund assets:

SIGNIFICANT TAX BENEFITS

Rentals are 100% allowable against Corporation Tax.

TOTALLY FLEXIBLE

You decide the rental term, payment frequency and deposit. You can even settle early or upgrade before the end of the agreement.

PAY WHILE YOU USE IT

Pay for the equipment as you use it, as opposed to all upfront.

PRESERVE CASH FLOW

Keep your cash in the business to spend on items with higher returns.

MAKES BUDGETING EASIER

Fixed repayments over the rental period makes budgeting and planning easier.

PRESERVE EXISTING LINES OF CREDIT

Your existing credit lines remain unaffected.
